

Shop News - June 1, 2010

We've updated the Specials section for June and there are some great deals!

We've been busy placing our Fall/Winter orders, which will begin arriving in August.

This means we need to make room for new arrivals, so now is a great time to take advantage of large discounts on clearance yarn and patterns.

Our Sit and Stitch socials for this month are scheduled for Wednesday, June 2nd and the 16th, drop in 5:00 - 8:00 pm.

We are also open for after hours shopping on those dates.

We don't charge for this social event, and we are happy to help beginners learn the knit and purl stitch during our social get-togethers.

We will continue meeting on the first and third Wednesday of every month throughout the summer months too.

Please come and join us for our third annual World Wide Knit In Public get-together on our shop patio on Saturday, June 12th from noon until 5:00 pm.

Bring your lawn chair, water, snacks, and your knit or crochet project.

We always have so much fun, socializing, while at the same time spreading the word to our community that there is better living through stitching together!

Here we are at WWKIP Day last year, June 2009.

Happy Stitching,

from all of us at 88 Stitches
