

## Summer Classes - June 2, 2010

We don't normally offer classes over the Summer months but....

Back by popular demand, a summer session of our most popular class!

Pick Your Project Class.

Two separate sessions will run through the month of July

on Monday and Tuesday evenings.

Please visit our [Classes](#) section of the website for dates and more information.

This class is limited to 5-6 students per session, so please register early to avoid disappointment.
